Dear Pastor and friends,

We baptized the last of June - 6 adult men!

The biggest news

On July 3rd, while preparing to host those recently baptized, I had a stroke at home. Debbie noticed the signs and called first responders - and within minutes thousands were praying worldwide. I would be transported via helicopter to an advanced neurological institute in Frankfurt and the major Carotid artery was reopened with a stint - my left side would be paralyzed as a result. The doctors could not promise our family that I would make it through the night, but people were praying.

I came through the night and after 6 days in intensive care, I was released to a normal room to begin rehab therapy. After ten days I was transported to a therapy clinic - where doctors indicate they see no reason that there will not be a full recovery!

On July 13th our team held Extreme Day -our outreach event to reach young adults - 4 accepted Christ as their saviour - the team executed flawlessly. Fritz and Petra Geiling did a fabulous job of keeping things moving and people focused, even when emotions were distracted by medical issues. I appreciate these two dedicated workers so much. Know that Paul was right when he told us in 2. Cor 4:7 - *we have this treasure of new life in Jesus in earthly vessels - all for his glory!*

Thank you for the words of encouragement and kind gifts - you have made this challenging time bearable.

Yours, in His service,

Keith and Debbie Gandy
