December 2013

Dear Pastor and friends,

### **Noël Kachouh - new Executive Pastor**

Beginning February 1, Noël has accepted the position of executive pastor - emphasizing worker recruitment, discipleship and visitation. We are highly excited for this new chapter in the life of this church.

He received a 100% acceptance vote from the membership. His goal is to assist me while I remain vision pastor for the ministry. The leadership feels that my greatest strengths lie in church planting and coaching planters, so this is to free me towards those ends.

### **Initiative Alzenau**

Felix Krämer and his core workers have held three public services since October. Their high attendance had already topped 125!

On January 2, Felix will sit in front of a camera and chronicle how they arrived here so quickly. The goal is to encourage and equip planters in Europe. The Krämers rapid growth is due in part to the lack of evangelical churches in this region, plus their solid organization over the past two years before launching.

### **Merry Christmas**

It has been an eventful year in so many ways ...

- Debbie and the family were faced with the drama of my possible death in the aftermath of the stroke. Yet, God intervened and my recovery has far exceeded all expectations.
- Over twenty followed in believer's baptism this year.
- Another church plant was initiated.

All because of Immanuel! God is with us.

Yours, in His service,

Keith and Debbie Gandy
