February 2014

Dear Pastor and friends,

Elevate

Along with my colleague, Tim Downs, we hosted and encouraged over 20 church-planters from across Europe. These are dedicated men that seek to gain further insights into breaking the code of their adopted culture. In some cases, they have entered the dark zone of culture shock and isolation. Our vision is to minister to them annually to let them know, they are cherished colleagues, they are not alone, corporately we gain insight and strength.

Installation of Executive Pastor

On February 9th, our church officially welcomed Noël Kachouh and his family. While I remain the vision and senior pastor, Noël, will teach, plus focus on voluntary staff recruitment and development, and boost our small groups.

Baptisms

It is time to baptize again. On March 9th, we have scheduled to baptize 3, and additional people have shown interest.

God's goodness

Recent months have been challenging - some unbiblical teachings have been adopted by a select group within our membership. As a result, personal attacks on our family and ministry were quite painful. Leadership is addressing this biblically, for which I am so thankful.

It is in the dark times of trial that God shows His pleasure and kindness. We sense His hand, it draws us closer to His heart. Suffering for righteousness is painful, but His will, His glory are always the goal and that produces incredible joy.

Yours, in His service,

Keith and Debbie Gandy
