Dear Pastor and friends,

It is my pleasure to share some of the latest ways God is ministering in and through us.

### **Youth baptism**

A young man that was first contacted through a children's bible class in a local park over ten years ago, made a decision to follow Christ about two years ago and was baptized as a nineteen year old during a youth event. Jean-Claude has grown although with bumps and turns along the way. He stated on the Friday night event: "I have come from a rough life – I needed forgiveness and change. I commit to follow Christ the rest of my life".

Eric also followed in baptism and had his parents in attendance. The gospel was presented with clarity and boldness. What a joy to my heart.

### **Operation Judaea**

We have had an impact in our Jerusalem and even a few surrounding cities. I minister to church planters in our Samaria. Our church has sent three families overseas. As I consider the responsibility of the great commission, I believe that we can do a better job in reaching our Judaea.

My vision is to identify and recruit families in nearby cities that we can support to aid them in showing the love of Christ to their community. Over 150,000 are in just the major cities surrounding our location – some of them upwards of 20,000 in population. Most have an evangelical population of less than 100 active followers of Christ.

A video of my thoughts is on my blog at: [www.keithgandy.com](http://www.keithgandy.com)

Yours, in His service,
