Dear Pastor and friends,

Training new church leadership has been a priority as of late and I would like to introduce you to a couple of men serving our church.

Dr. Malte Schmidtpott

Dr. Malte Schmidtpott

Malte is a medical doctor who served with his family in the mountains of northern Peru. The poor indians of the region would come for treatment and hear the gospel as they waited. He has now returned and taken up private practice and carves out time to serve as leadership.

Malte has a special burden to pray for the broken and burdened of our church body.

Dieter Schneider

Dieter is a quiet man with godly grown children. He has taught 12-14 year olds over the past two years, taken trips with them so that they have a personal faith, not just parental faith.

He has a meek, discerning personality and has brought me personal encouragement.

We meet regularly for study, prayer and relationship building. I am thankful for these men.

Yours, in His service,

Keith and Debbie Gandy
