Dear Pastor and friends,

I am so thrilled to report that your partnership is resulting in a changed eternity for people.

### **Foundation investment in church planter in Togo**

Pastor David in Togo reports that 12 people accepted Christ as savior since he launched his church plant – now he has begun discipleship classes with these new converts. I would like to thank those who made it possible for us to gift him a motorcycle to expand his ministry efforts. Expectation Church, you have gone above and beyond – thank you.

I intend to travel to Togo to encourage this young pastor and church. Their future looks bright. I am glad we have a financial investment in their spiritual success.

### **New convert evangelizes in his own family**

Patrick, recently saved and baptized, was so excited to tell those of us who met for our weekly discipleship meeting that he had shared the gospel with his mother and she invited Jesus to be her Lord and Savior.

I will attempt to describe his excitement. He stated that he ran out of the house and down the street waving his arms and yelling, “My mom just got saved – my mom just got saved!”

There is nothing better than to witness the excitement in new believers and their desire to take as many people they can to meet their Lord as possible.

Yours, in His service,

Keith and Debbie Gandy
