Dear Pastor and friends,

I am so thrilled to report that your partnership is resulting in a changed eternity for people.

### Ladies meetings

What a phenomenal program a team of women designed and held recently. Over 90 women attended a brunch, which was followed by a special women's speaker. It is thrilling to watch as new ministries arise and local leadership desires to leave the fingerprints of God on their community.

### Believer's baptism

A married couple has asked to be baptized on April 28th - as a result, additional people have decided to express their new faith by following Christ in baptism. To be very honest, this is what charges my batteries in ministry - when the lights go on in someone's eyes as they discover Christ's love and forgiveness.

### Church planting in Togo

Pastor David is our first church planter whom we financially support. He reports that five people have received Christ this year in this newly formed community of believers. I will visit Pastor David and his family from April 2nd through the 9th - just to encourage and pray for his family and ministry.
