October 2024

Dear Pastor and friends,

It is a joy to share what God is doing in this ministry.

Product of ministry preaches

Clemens, who grew up in our church, preached recently on the topic of worship in the dark times, from Acts 16. He handled to text well and pointed us to Christ. Presently he is an inland missionary to children in the city of Halle, Germany. He and his wife are considering the next step of ministry for their future and would be open to seek a pastoral position. We are thankful that God is sending workers into the fields white unto harvest.

Baptisms in October

Three young men approached me following services on Sunday: "We want to be baptized." We meet this Friday to video record their testimonies and baptize on October 13th. A fourth is considering this step of expressing her faith on this date as well.

Church planting Foundation

Togo: Pastor David reports: Two people who have received salvation and have been baptized.

Uganda: In August and September 2024 - 104 people have accepted Christ and 33 have followed in believer's baptism in the five church plants with which we partner. One of the new plants informs us they have outgrown their present facility and have received permission to break through a wall allowing for additional seating.

Yours, in His service,

Keith and Debbie Gandy
