November 2024

Dear Pastor and friends,

We trust you have a most blessed Thangsgiving.

Vanessa goes public with her faith

Vanessa is a single mother of two, a sister of a young woman who came to Christ in 2023. For almost one full year she has been praying for her sister and God honored her request. Vanessa set the date for Nov. 17th, knowing that her sister would be flying in from Athens (where she currently works), for a visit.

The church has another candidate who has been interviewed. We now wait on his determination as to what he would like to do next – he has multiple offers.

We have also agreed to hire the young man from our church who recently preached. When his wife completes college in 2025, they will relocate to our city and begin working with children and youth. Both recent developments encourage our hearts.

Church planting Foundation

Togo: Pastor David and his team launched a second church in addition to their first church plant which witnesses salvation decisions and baptisms regularly. The new plant launched in November with over 400 attending the initial service.

Uganda: The 5 church planters report regularly about new converts and baptisms. Via Smart Phones, we correspond weekly.

It has been incredible to witness how God has worked through this small, family-run foundation. **Little is much when God is in it.** 7 new churches have been planted – scores of people reached for Christ. This is only the beginning.

Yours, in His service,

Keith and Debbie Gandy
