Dear Pastor and friends,

Baptism

At the end of August we baptized once again. Erika, asked herself again and again, why did I wait so long? It was her son who played a key role in her finding Christ, so Erika requested that her son also play a role in her baptism. It was always a joy to see converts take the next step in their faith journey.

Baptism Requested

It was during the youth missions trip to London that a number of young people sensed that God desired their whole hearts. On their return, they reported to the church body that three requested to be baptized, and three more have joined them. They have now been introduced to what baptism is and will be baptized in December.

Fellowship And Laughter

We hosted our the 50 year olds plus group recently in our home - just a time of games and laughter. Loneliness is one of the greatest felt needs in Germany - often families are estranged - so these opportunities draw people who do not attend a church. Relationships are essential in building platforms for the gospel. As it is frequently stated: **People do not care how much you know, until they know how much you care.**

Thank you for partnering – together we are investing in eternity...

Yours, in His service,

Keith and Debbie Gandy
