March 2026

Dear Pastor and friends,

Baptism

What a joy that a Young Buddhist woman and 34 year old Muslim man expressed how they had come to realize that their religion could not offer what their soul sought, but they had found it in Christ - would I baptize them? What a joy to be part of their spiritual journey.

In addition, I began meeting with Elias, her boyfriend for his spiritual growth.

Worship Service

An entirely new team of musicians and singers invited the church body to an evening of worship and adoration of our Savior. The church h was built up and these your people experienced how God has gifted them to build up the entire body by leading us to the feet of our Savior.

It does my heart good to see the next generation rise up and serve - their love to lead others in praise and draw closer to the Lord is what Jesus desires.

Church Planting Initiative Expansion

Sudan second church, a new church is being planted with seven young men who are new converts - a true step of faith in challenging circumstances. During a recent uprising - it was very dangerous, plus resulted in food and water becoming scarce that people's hearts were turned to seek help and they prayed. It was as a result these young men came to know Jesus as savior and seek to have their own church. Pastor Emmanuel is now juggling two works.

Expanding to 17 church planters: Four people have generously joined us in adopting a church planter - we are personally expanding our scope to include three more - beginning April we will have a total of 17 church planters that we fund and encourage through prayer and regular communication. It is so exciting to see what God is doing in these countries.

Yours, in His service,

Keith and Debbie Gandy
