Dear Pastor and friends,

### Church plants

A quick trip to Rumania in April was to encourage a church plant. In a 7 day trip I visited with 6 families in their homes, spoke to a group of teens and twenty-somethings gathered together for a sporting evening, preached in multiple churches.

### Baptisms

Always a highlight for me personally when new believers share their faith decision and journey with the body of Christ and guests that have come to experience this life milestone. Young Elijah and Sophie articulated their trust in the finished work of Jesus on Golgatha for their forgiveness.

### Church Planting Initiative Expansion

The church planting initiative is expanding again - new planting partners have been vetted and are now financially and prayerfully supported. We are now partnering with 17 planters of new works. These men are motivated and actively evangelizing, baptizing and discipling. We are blessed to work closely with each man.

Yours, in His service,

Keith and Debbie Gandys
