July 2026

Dear Pastor and friends,

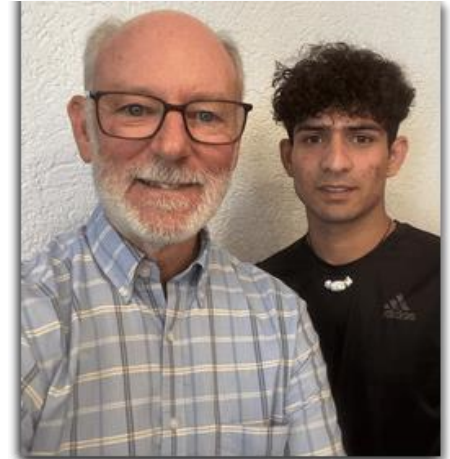

Baptisms

What a thrill it has been to see eight people go public with their faith in the work of Jesus – expressing it through believer's baptism from the end of May through June. Adults and young people sat in front of a video camera and told their story of struggling against culture boundaries and social pressures to find forgiveness and freedom in Christ.

Moslem Accepts Christ

At the conclusion of the service on July 19th, a young man asked to speak with me. This young man requested that his name be withheld for security reasons, and I will respect his request. He stated that as a Moslem, he concluded that Jesus is who he claims he is, died for our sins and rose again. I took him to Romans 10 and shared that Paul instructs us to believe in our hearts and confess with our mouth – he did that and desires to be baptized in August.

Church Planting Initiative Expansion

The church planting initiative is receiving wonderful reports – this young man has accepted Christ as his savior. Our partner church planters report from April through June that 1377 people made professions of faith and 48 had completed discipleship lessons and followed in believer's baptism. This is the story of the power of the gospel of Jesus Christ, told by the great Commission.

Yours, in His service,

Keith and Debbie Gandy
