October 2026

Dear Pastor and friends,

Outdoor services

Once a year church leadership invites the church to a local park for an open air service. In Germany you never know how the weather will be in two days, let alone months in advance as plans must be made and coordinated. It was a lovely day and many new faces were in attendance, even though it was our six weeks school break and many families were traveling.

Baptism

Every Tuesday I meet with Elias to discover what God is doing in his life and how his faith journey is progressing. In September he followed in believer's baptism - asking David, who was still a hardcore atheist in 2022, but now a follower of Christ, to baptize him. Along with two others, Elias testified to the joy Jesus brings him and his desire to follow him always.

Church Planting Initiative Expands

Since 2024 we have sought to see our passion for church planting to expand. This month we have found a couple more young church planters and we have begun partnering with them. Since 2024 they report 3,427 have been asked Jesus to save them and 523 have followed in baptism. 19 churches have been started and the latest report states that another 17 are preaching stations which will form into baby churches in the near future. It is exciting to say the least.

Yours, in His service,

Keith and Debbie Gandy
